safeTALK is a half-day training that prepares anyone over the age of 15, regardless of prior experience or training, to become a suicide-alert helper. safeTALK-trained helpers learn to recognize verbal and nonverbal signs from people with thoughts of suicide and take action by connecting them with life-saving intervention resources.

Questions? Contact Kat Polmear at 248-858-7171 or polmeark@oakgov.com

Trainings are paid for by the Michigan Department of Community Health Transforming Youth Suicide Prevention grant awarded to Oakland County Community Mental Health Authority and Oakland County Health Division.
