CULVERT REPAIRS ON GRANGE HALL RD BETWEEN NORTH HOLLY RD AND I-75 EXPECTED TO BEGIN OCT. 29; THREE DAY ROAD CLOSURE EXPECTED TO START NOV. 12

Beverly Hills, MI – The Road Commission for Oakland County (RCOC) expects to begin culvert work on Grange Hall Road between North Holly Road and I-75 (just west of Great Lakes Blvd) in Holly Township on Monday, Oct. 29.

Part of the project requires a closure of Grange Hall Road just west of Great Lakes Blvd. The closure is expected to begin approximately Monday, November 12, and last through Wednesday, November 14. The closure dates are weather dependent, and the start date could change.

The detour for the closure is Dixie Hwy. to East Baldwin Road (Genesee County) to North Holly Road, back to Grange Hall Road and vice versa.

The contractor for the project is Trojan Development Company of Oxford, Michigan.

Once the road reopens to traffic, additional restoration work and installation of new guardrail will continue under flag control when necessary.

The entire project is expected to conclude in mid-December.

Grange Hall Road carries 11,000 vehicles daily.
