GRANGE HALL RD THREE-DAY ROAD CLOSURE FOR CULVERT REPAIRS IN HOLLY TWP. DELAYED UNTIL NOV. 26-28 DUE TO WEATHER

Beverly Hills, MI – The Road Commission for Oakland County (RCOC) expects to close Grange Hall Road between I-75 and North Holly Road (just west of Great Lakes Blvd) in Holly Twp. Nov. 26-28 (original dates were Nov. 12-Nov. 14) for culvert repairs.

The closure dates are weather dependent, and the start date could change again.

The detour for the closure is Dixie Hwy. to East Baldwin Road (Genesee County) to North Holly Road, back to Grange Hall Road and vice versa.

During the closure, the contractor, Trojan Development Company of Oxford, will line the existing culvert. It is necessary to close the road to stage equipment and pipes that will divert waterflow during the lining work.

Once the road reopens to traffic, additional restoration work and installation of new guardrail will continue under flag control when necessary. The entire project is expected to conclude late fall.

Grange Hall Road carries 11,000 vehicles daily.
