

WEATHERIZATION was the nation's best kept secret for residential energy conservation...

But the secret's out!

WEATHERIZATION WORKS!!

The Weatherization Assistance Program is a **FREE** service funded by the Federal Department of Energy (DOE) that provides **FREE** energy conservation services for eligible low-income households. Weatherization can help reduce energy use and lower your energy bills, and may include services such as wall, ceiling and attic insulation and ventilation, combustion appliance testing, furnace repair or replacement, air leakage reduction, and many other energy saving measures!

Don't miss this great opportunity to save money and lower your utility bills!
