The O.R.V. Park is now open. The Oakland Co. parks dept has been very good to work with. They made the cemetery three signs to place by the drives when we had people using the cemetery as a turn around.

We are still trying to fix our well. It is costly, so for the meantime the water will remain off. Our Sexton found that someone has cut a hole into the fencing and staked it open to gain entry into Mt Holly/ORV park. I have contacted the ORV park concerning this.

We put out a face book post asking that everyone bring their own water and remove and take their own trash this summer. Trash cans will be replaced in the spring 2022. As a reminder all summer decorations must be removed by Nov 15<sup>th</sup> for the winter months.

November will be the fundraiser for grave blankets and wreaths for this year.

Due to the restrictions of Covid there was no annual meeting in 2020 or 2021. We hope to hold a public annual meeting in May 2022.

All inquiries can be made to the board of directors via email or post at the above listed addresses. Telephone calls will be returned within 24 hours.
